Kendall's Spavin Cure.

Santa Rosa, California, Feb. 9, 1883.

B. J. Kenoall. & Co.,—Genta:—I seel it a duty to others suffering with the piles and falling of the rectum to write to you. I have had the piles and prolapsups of the rectum for five years, for the past three years I have suffered the most agonizing pain. I tried everything without relief, but after ten day's use of Kendali's Spavin Cure, I have not seen or heard of the piles since. One who has not suffered as I have cannot comprehend the great joy that I feit at being cured of a disease almost worse than death. I had a valuable young horse that had a large bunch guther on his breast bone. I tried all kinds of liniments and had it cut open without any benefit. Saw your advertisement and bought a bottle of Kendali's Spavin Cure and ordered my teamster to use as directed. In less than one week the lump had dissappeared. Thinking that a liniment that would do what Kendali's Spavin Cure has done for my horse might benefit more. I tried it as a last resort. With gratitude and best wishes for your success, I am faithfully yours,

Kendall's SPAVINCURE

Three Particular Points.

Point the First.-BROWN'S IRON BITTERS is not an intoxicating compound. It is a tonic medicine, not a drink. It is a skillfully compounded preparation made to restore strength and health; not a beverage to be sold in bar-rooms and taverns.

Point the Second .- BROWN'S IRON BITTERS is free from everything injurious. The most delicate ladies and the most enfeebled infants may use it with perfect safety and with great advance, e. While it is powerful in its remedial agency, it is gentle in its operation, restoring wasted strength and imparting robust health in the most efficient manner.

Point the Third,-Brown's IRON BITTERS is made by the Brown Chemical Company of Baltimore, a long established house, whose reputation is well known to the business world and the general community. There is no risk in buying such a medicine.
